

# Fast, Easy, Convenient Fingerprinting for Business

**Security clearance fingerprinting is time-consuming** and complex, and your Facility Security Officers and other trusted individuals have other work to do. Sterling Identity clears the path for a faster, easier, more comprehensive fingerprinting process with their partner, Inquiries Screening.

Sterling Identity also offers business employment screening, financial services clearances for investigatory agencies, and identity and access biometrics services for government groups large and small.

**1.2**

**MILLION**

civilians require new government security clearances every year

**Spend less time on clearance fingerprinting  
and more time on real security.**

## **Largest SWFT-Approved Network Available**

Every one of our nearly 1,000 nationwide locations features state-of-the-art, SWFT-approved Sterling Identity Registration Stations ready to receive your security clearance fingerprinting candidates.

You can select a convenient location for your candidates, or they can pick their nearest location themselves at [sterlingidentity.com/locations](http://sterlingidentity.com/locations).

## **Trouble-Free, Professional, and Convenient**

Sterling Identity provides the most trouble-free and professional live scan fingerprint network so you can:

- **Send applicants** to convenient, SWFT-approved live scan locations
- **Collect fingerprints** through a system protected by military-grade security
- **Let our partner, Inquiries Screening**, submit fingerprints to U.S. Office of Personnel Management (OPM) for you!

# Sterling Identity Advantage

## As Easy to Use as Your Smart Phone.

Sterling Identity's biometric data collection system is simple, modern, and intuitive. The touch-screen interface works exactly how you'd expect, while our tamper-proof hardware platform keeps your sensitive data safe and secure. It's the simplest, most reliable solution available.
