## What You'll Do

### 1 Place Your Order

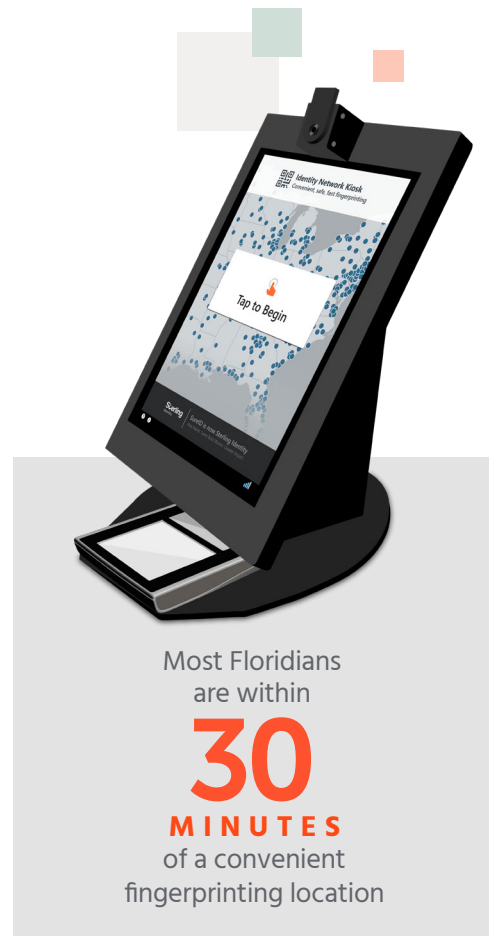

Go to [florida.fingerprints.sterlingidentity.com](http://florida.fingerprints.sterlingidentity.com) to place an order. You'll need your agency's ORI (a 9-digit number used by the state to identify the agency) as well as your personal and payment information.

### 2 Select a Fingerprinting Location

Go to [sterlingidentity.com/locations](http://sterlingidentity.com/locations) to find a fingerprinting location that's convenient for you. You're probably within a 30-minute drive of one or more, and most have extended and Saturday hours!

### 3 Submit Fingerprints

Finally, bring two forms of ID ([sterlingidentity.com/id-documents](http://sterlingidentity.com/id-documents)) to your chosen location and ask for a fingerprinting technician who will verify your identity, help you capture your fingerprints, and submit your information to the state. It's that easy!
